

Social Data Science: CCJS - Track II Course Options

6 credits - choose any two courses

This list includes all the courses that are acceptable for the SDSC-CCJS Track II but does not reflect courses that will be offered each semester. Refer to the schedule of classes for courses offered in a particular semester.

Students must request permission for CCJS courses through the [CCJS stamps website](#). All students are limited to three CCJS course permissions prior to the first day of classes

Please contact your SDSC advisor if you have any questions.
